

## Membership Notice

You are invited to join (or re-subscribe to) the **International Association for Neuropterology**. This organization represents international interests and activities of matters pertaining to the study of Neuropterida (Raphidioptera, Megaloptera, and Neuroptera). Activities include three to four yearly symposia and associated collaborative fieldwork and published proceedings, as well as discussion forums and Internet based information sharing. Our focus is to encourage research and interest in this fascinating Superorder of insects.

Membership fees are \$10 or £7 and are due annually. The Treasurer also accepts advance payments for those wishing to do so. These are usually paid at Symposia for the years following and until the next Symposium (i.e. usually three year blocks), but postal advances are also encouraged.

Formal receipts will be issued by the Treasurer.

Back issues of the *Journal of Neuropterology*, Volumes 1 to 3 are available upon request at a cost of £40. Production of Volume 4 is temporarily on hold.

Please complete the following as necessary; items marked \* are needed to ensure you receive further correspondence, all other items are optional:
